

Hello Central Trinity Families!

We are so excited to announce that VBS WILL BE HAPPENING this year! We have one modification, though. Instead of you bringing your kids to VBS, we're bringing VBS to your kids!

This summer, on July 8, 9, and 10, we'll be using a quarantine-friendly VBS called BOLT. With minimal preparation, easy-to-follow instructions, and a video that leads you and your kids step-by-step through each of the 3 days, BOLT is designed for you to enjoy with your family at home. It's so simple!

During BOLT, your family will participate in fun games that illustrate what it means to listen to, focus on, and follow Jesus. Each day's video is about 30 minutes long. Depending on your pace, you can expect that each day's experience will last about an hour and a half. It's great for kids about 5 and up. Even middle and high school kids can enjoy it! You can do it at whatever time works best for your family - mornings, evenings, even on different days than our suggested days if different dates are better for your schedule.

If you want to get a better idea of what BOLT is, you can watch the Day 2 sample video here <https://youtu.be/2622ZaE0BX0>. (But don't let your kids see it yet - we want to save the fun for later.)

There's something else we're really excited about - this could also be an amazing outreach opportunity. If you feel comfortable gathering with more people, you can invite neighbors, friends, and family to your house for BOLT, and it can work well outdoors to allow for a little extra distance. Even if you don't have children of your own at home, you can welcome others into your yard for a few afternoons of faith-filled fun. Contact me if you have any questions or would just like some more information. It's an easy and fun way to share the good news of Jesus with our community. If it's helpful, we've attached a printable invitation for you to use or you can share our social media posts with anyone you want to invite. Just reply to this email or a social media post to let us know you want to be a part of the fun, and we'll make sure you have access to the videos and instructions.

We'll be sending you more information as we get closer to July 8th. In the meantime, get your family excited about BOLT, and PRAY! This summer may look different, but God is at work and we are looking forward to exciting stories from this adventure!

Not sure yet if this is for you? Give me a call! I'd be happy to talk more with you.

Serving with you,

Kifin Judson
